Public Funds Discriminate Against Christians

Muslims students are given a "prayer" room when no such room is available to Christians or Jews.

The room is laid out with prayer rugs.

Non-Muslim students must remove shoes and be separated according to sex when entering the prayer area.

UNIVERSITIES INSTALLING MUSLIM FOOT BATHS AND PRAYER ROOMS

At least 17 universities have foot baths built or under construction, including Boston University, George Washington University, and Temple University.

At least nine universities have prayer rooms for "Muslim students only," including Stanford, Emory and the University of Virginia.

SAN DIEGO PUBLIC SCHOOL

Accommodating Muslims

Carver Elementary School, San Diego

During the 2006 school year at Carver Elementary School in San Diego:

Muslim students were given a dedicated room for 15 minutes of prayer each day after lunch.

A school aide was accused of leading Muslim prayers.

Classes for Muslim students were separated by sex in compliance with Islamic tradition.

Pork products offending Muslims were eliminated from the cafeteria menu.

After Carver Elementary absorbed 100 Muslim students from a failed charter school, it immediately set out to accommodate its Islamic students.

It initiated single-sex classes, Arabic studies, a special room for Muslim prayer and eliminated pork from the cafeteria menu.

After an uproar from community members and activist organizations, school officials agreed to eliminate "boys-only and girls-only" classes and the special classroom for Muslim prayers.

To accommodate Muslim students, school policy has added a new lunch schedule where Muslim students can pray and the school still eliminates pork from its cafeteria menu.

BYRON UNIFIED SCHOOL DISTRICT, CALIFORNIA

Seventh grade students were given an "Islam Student Guide" that specifically states: "From the beginning, you and your classmates will become Muslim." The program has been upheld as constitutional by the 9th Circuit Court of Appeals.

What the Byron school program taught or asked students to do:

1 Recite aloud Muslim prayers that begin with "In the name of Allah, Most Gracious, Most Merciful..."

1 Memorize the Muslim profession of faith: "Allah is the only true God and Muhammad is his messenger."

1 Chant "Praise be to Allah" in response to teacher prompts.

1 Profess as "true" the Muslim belief that "The Holy Quran is God's word."

1 Give up candy and TV to demonstrate the Muslim holy month of Ramadan.

1 Take an Arabic name from a list of 30.

1 Play a board game called a "Race to Mekkah."

1 Wear an emblem of the Muslim star and crescent moon around their necks.

1 Students were taught this jihadist prayer:

"Believers, why is it that when it is said to you: 'March in the cause of Allah,' you linger slothfully in the land? ... If you do not fight, He will punish you sternly and replace you with other men."

Elsewhere...

A suburban Dallas school allows Muslims to leave class to pray.

A Minneapolis school allows students to organize an hour of prayer on Fridays.

In Dearborn, Michigan, Muslim students are given two days off to celebrate the Islamic holiday of Ramadan.
